NSX ANNOUNCEMENT

## APPOINTMENT OF CHIEF SCIENTIFIC OFFICER

Manufacturing company Veratin Limited (**NSX: VTN**) ("**VTN**") today appointed Dr Peter Simpson as Chief Scientific Officer. Dr Simpson has more than 10 years of experience in the fields of inorganic, organic, and spectroscopic chemistry. Dr Simpson graduated with a PhD from The University of Western Australia and followed up with research stays throughout Australia and Europe. Dr Simpson authored 40 articles in top peer-reviewed journals, two book chapters, numerous grant applications, and is a holder of two patents. Dr Simpson will work on the development of amino acids from wool in addition to the other products the company is commercialising.

Executive Chairman of Veratin, Dr Ramiz Boulos says, "We are excited to have Dr Simpson onboard. His appointment will allow us to accelerate our research and development efforts and bring novel products to market quicker."
