ADVANCETC SHOWCASES XPLORE X7U LIVE DEMONSTRATION AND TECHNOLOGY ROADMAP TO PARTNERS & DISTRIBUTORS AT LIMA'23

AdvanceTC Ltd ('AdvanceTC' or the 'Company') is pleased to announce the successful participation and launch of its Xplore X7U product series during the Langkawi International Maritime & Aerospace (LIMA) '23 exhibition, where it was awarded Product Innovation Partner under the Space Tech @Nexus division.

The company has received numerous inquiries for product sales, technology integration or customization; and is rapidly following up to convert these inquiries into sales revenues. Some of the technology and distribution partners that the company is evaluating and working with include Sapura Secured Technologies, Gading Group and OneWeb.

The company also had the great honour to have the Prime Minister of Malaysia , Dato' Seri Anwar Bin Ibrahim , to grace the AdvanceTC podium as a show of recognition and endorsement towards the Company's achievements, especially in the Aerospace and Telecommunications industry.
