Review of Operations

31 December 2023

Highlights:

- Achieved over 3 million impressions on major social media platforms.
- Experienced consistent growth in downloads and registrations
- Grant official admission to Sichuan Provincial Council for Promotion of International Cooperation and Investment
- Leveraged valuable building and warehouse resources.
- Expanded channel partner network with support from local authorities.

Since its launch on August 22, 2023, the Meccle ecommerce marketplace app has made remarkable strides in establishing itself as a prominent player in the industry. As we approach the midway point of our operational year, it's crucial to reflect on our achievements and outline the path forward for continued growth and success.

Social Media Traction:

One of the cornerstones of our strategy has been leveraging social media to amplify our brand presence. Meccle's performance on major social media platforms has been nothing short of impressive, with over 3 million impressions garnered to date. This widespread visibility underscores the platform's appeal and resonates strongly with our target audience, laying a solid foundation for future engagement and growth.

Continual Growth in Downloads and App Registrations:

The momentum behind Meccle continues to build, with a steady uptick in downloads and app registrations. Our innovative approach to ecommerce has resonated positively with users, reflected in the increasing number of active engagements within the app. This consistent growth trajectory speaks to the effectiveness of our strategies in driving user acquisition and retention.

Strategic Collaborations and Membership:

A significant milestone achieved during this reporting period is Meccle's admission to the Sichuan Provincial Council for Promotion of International Cooperation and Investment. This prestigious membership opens doors to valuable collaborations and potential financial support, further bolstering our position in the market. Additionally, our strategic collaboration within the Sichuan Ecommerce Pilot Zone provides access to critical resources that enhance our distribution network and enable faster delivery to our customers.

Influencer Partnerships and Marketing Initiatives:

Our partnership with The Influencer Marketing Factory has played a pivotal role in elevating Meccle's brand visibility and customer adoption. Leveraging the influence of prominent social media figures, we have successfully reached millions of potential customers across TikTok, Instagram, and YouTube. This concerted effort has solidified our presence on these platforms, laying the groundwork for sustained customer engagement and retention.

Expansion of Channel Partner Network:

The expansion of our channel partner network, supported by local municipality authorities, marks a significant step towards diversifying our supplier base and product offerings. This initiative not only enhances the variety of goods available on Meccle but also strengthens our relationships within the industry. As we continue to onboard Chinese manufacturers onto the platform, we anticipate further growth and market penetration.

Directors' Report

31 December 2023

The directors hereby present the following half-year report for the period ended 31 December 2023 for Haodex Limited ("Haodex" or the "Company") and its controlled entities. (the "Group").

The directors present their report, together with the financial statements of the Group, being the company and its controlled entity, for the half-year ended 31 December 2023.

General information Information on directors

The following person were directors of the Company during the whole of the half-year and up to the date of this report, unless otherwise stated:

Frank Huang Anne Huang Michael Pixley

Principal activities

The principal activities of the Group during the half-year were to invest in technology which offers a platform to buy and sell goods and services throughout China.

No significant change in the nature of these activities occurred during the half-year.

2. Operating results and review of operations for the half-year

Operating results

The consolidated loss of the Group amounted to \$208,441 (31 December 2022: loss \$880,733).

3. Dividends paid or recommended

There were no dividends paid or recommended during the financial period.

4. Subsequent events to 31 December 2023

No matters or circumstances have arisen since the end of the half-year which significantly affected or could significantly affect the operations of the Group, the results of those operations, or the state of affairs of the Group in future financial years.

5. Risks Specific to Group Business and Operations

Sales and Marketing Risks

The Group seeks to increase its market share and expand into additional sectors by focusing on sales and marketing. By its nature, there is no guarantee that Group's sales and marketing campaign will be successful. Even if the Group does successfully commercialise its products, there is a risk that Group will not achieve a commercial return. The Group may not be able to provide its services to customers at a rate which covers its operating and capital costs, or new technology may overtake the Groups technology.

Protection of Intellectual Property Rights

There may be circumstances where the Group's intellectual property cannot be protected or its subject to unauthorized disclosure, infringement or challenge by a third party. The Group may incur significant costs in asserting its rights in such circumstances. There can be no assurance that any trademarks the Group may own or control now and in the future, will provide the Group with a competitive advantage.

5. Risks Specific to Haodex Business and Operations (con'd)

Competition and New Technology Risks

The industries in which the Group is involved are subject to increasing domestic and global competition, which is fast-paced and fast-changing. The Group's future financial performance and overall success in the market will rest upon the successful implementation of strategies to compete with other businesses. There is no assurance that the Group will succeed in developing its business. While the Group will undertake all reasonable due diligence in its business decisions and operations, the Group will have no influence or control over the activities or actions of its competitors, whose activities or actions may positively or negatively affect the operating and financial performance of the Group's projects and business. For instance, new technologies could overtake the advancements made by the Group's services. Alternatively, the Group may be unable to compete successfully against future competitors where aggressive policies are employed to capture market share, or if competitors have advantageous access to capital and resources. Such cases could result in price reductions, reduced gross margins and loss of market share, any of which could materially adversely affect the Group's potential future business, operating results and financial position.

6. Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 4.

Signed in accordance with a resolution of the Board of Directors:

Frank Huang Chairman

Dated 13 March 2024

Notes to the Financial Statements

For the Half-Year Ended 31 December 2023

1 General Information and Summary of Material Accounting Policies

a) General Information

The financial report covers Haodex Ltd ("the Company") and its controlled entities ("the Group"). The Company is a for-profit company limited by shares, incorporated and domiciled in Australia.

Each of the entities within the Group prepare their financial statements based on the currency of the primary economic environment in which the entity operates (functional currency). The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

The financial report was authorized for issue by the Directors on 15 March 2024. Comparatives are consistent with prior period, unless otherwise stated.

b) Basis of preparation

This interim financial report for the half-year ended 31 December 2023 has been prepared in accordancewith the requirements of the Australian Accounting Standard AASB 134: *Interim Financial Reporting*.

The half-year financial report is intended to provide users with an update on the latest annual financial statements of Haodex Ltd. As such it does not contain information that represents relatively insignificant changes occurring during the half-year within Haodex Ltd. This financial report does not include all the notes normally included in an annual financial report. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of Haodex Ltd for the year ended 30 June 2023.

The same accounting policies and methods of computation have been followed in this half-year financial report as were applied in the most recent annual financial statements.

c) Going Concern

Notwithstanding the loss of \$208,441 in the half year, the financial report has been prepared on a going concern basis. The loss is primarily due to timing differences on the recognition of platform sign-up fees.

The Group demonstrates its ability to meet its financial obligations for at least the next 12 months. The Group currently maintains a positive working capital position, indicating its capacity to fulfill its financial commitments in the foreseeable future.

The Directors are confident, given the current progress towards development at Meccle, that the Group will be successful in its endeavors to develop the market in the US. The directors believe that the new market development for Meccle will enable it to satisfy its working capital requirements. As a result, the financial report has been prepared on a going concern basis.

d) New accounting standards implemented

i. Changes in accounting policy and disclosures

The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

ii. Accounting standards and interpretation issued but not yet effective

The Group has adopted all the mandatory new and amended Accounting Standards issued that are relevant to its operations and effective for the current reporting period. There was no material impact on the financial report as a result of the mandatory new and amended Accounting Standards adopted.

Notes to the Financial Statements

For the Half-Year Ended 31 December 2023

13 Contingencies

In the opinion of the Directors, the company did not have any contingencies at 31 December 2023 (30 June 2023: None).

14 Related Party Transactions

Transactions from related parties

The Group has the following amounts receivable from shareholders: \$627,454 due within 12 months and \$124,316 due after 12 months. Both receivables are non-interest bearing, and a portion of the amounts is secured.

15 Operating Segments

(a) Identification of reportable segments

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (chief operating decision maker) in assessing performance and determining the allocation of resources.

Operating segments are determined on the basis of financial information reported to the Directors which is revenue and gross profit from Mainland China (Meccle) and Business from Australia.

(b) Accounting policies adopted

All amounts reported to the Directors are determined in accordance with accounting policies that are consistent with those adopted in the annual financial statements of the Group.

Therefore, management identified the Group as having two reportable segments. The financial results from these reportable segments are equivalent to the financial statements of the Group as a whole. Geographical sales information is disclosed below to assist in the understanding of the Group.

Assets and liabilities of the Group are maintained in Australia and China.

Independent Auditor's Review Report

To the members of Haodex Limited

Report on the Half-year Financial Report

Conclusion

We have reviewed the accompanying Half-year Financial Report of Haodex Limited.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Half-year Financial Report of Haodex Limited is not in accordance with the Corporations Act 2001, including:

- Giving a true and fair view of the company's financial position as at 31 December 2023 and of its performance for the Half-year ended on that date; and
- Complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

The Half-year Financial Report comprises:

- Statement of financial position as at 31 December 2023;
- Statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the Half-year ended on that date;
- Notes 1 to 18 comprising a summary of material accounting policies and other explanatory information; and
- The Directors' Declaration.

Responsibilities of the Directors for the Half-year Financial Report

The Directors of the Company are responsible for:

- The preparation of the Half-year Financial Report that gives a true and fair view in accordance with Australian Accounting Standards and Corporations Act 2001
- For such internal control as the Directors determine is necessary to enable the preparation of the Half-year Financial Report that is free from material misstatement, whether due to fraud or error.

Emphasis of Matter regarding uncertainty related to going concern

We draw attention to Note 1 of the financial report which describes that the directors have prepared a cash flow which indicates that the company has sufficient funds to continue in the foreseeable future. These assumptions are based on certain economic and operating assumptions about future events and actions that have not yet occurred and may not necessarily occur. Directors are confident that, if necessary, they will be able to raise sufficient capital to enable the continuation of operations until investment returns reach a volume to ensure a return to profitability and positive cash flows. Our opinion is unmodified in respect of this matter.

Emphasis of Matter regarding account receivable

We draw your attention to the financial report, which discloses that the material balance of accounts receivable of the Group is \$1,126,831 as of December 31, 2023. The directors have performed the

expected credit loss provision and are confident that they will be able to settle all receivables within 12 months from the invoice date.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Group's financial report for the year ended 31 December 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters Relating to the Electronic Presentation of the Audited Financial Report

This review report relates to the financial report of Haodex Limited for the half year ended 31 December 2023 included on Haodex Limited web site. The directors are responsible for the integrity of the Haodex Limited web site. We have not been engaged to report on the integrity of the Haodex Limited web site. The review report refers only to the statements named below. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications, they are advised to refer to the hard copy of the reviewed financial report to confirm the information included in the reviewed financial report resented on this web site.

Auditor's responsibility for the review of the Half-year Financial Report

Our responsibility is to express a conclusion on the Half-year Financial Report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the Half-year Financial Report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As auditor of Haodex Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a Half-year Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
