MARKET UPDATE | RELEASE OF OUTSTANDING FINANCIAL REPORTS

The Board of a2a GN Limited (**Company**) refers to its market update on 7 June 2023 (**Earlier Update**), and wishes to provide a further market update. Despite the Company's best efforts, discussions with the potential investor referred to in the Earlier Update did not achieve a satisfactory conclusion, and the Company has terminated further discussions with that potential investor.

The Company continues to seek potential investors to assist it to achieve re-quotations of its securities. Meanwhile, the Company has instructed its nominated adviser to source for interim financing to enable the company to bring its reporting obligations up to date, and re-position the Company as an asset acquisition company. On this basis, the Company aims to lodge all outstanding financial reports by 30 October 2024.

The Company will make timely market updates if there is any development on the Company's efforts to seek re-quotations.
