## Preliminary Announcement

Smartshares Limited, a wholly owned subsidiary of NZX Limited, has announced the preliminary half-year results for the NZ Mid Cap Fund.

The NZX MidCap Index Fund was resettled on 7 November 2016 as the NZ Mid Cap Fund, prior to which the NZ Mid Cap Fund was a shell entity. On 7 November 2016 the NZX MidCap Index Fund resettled its assets into the NZ Mid Cap Fund at a total value of \$69,843,000.

These half year preliminary results are therefore based on the wind-up accounts for the NZX MidCap Index Fund, as Smartshares Limited considers that this provides unitholders with the most relevant financial information.

The NZ Mid Cap Fund invests in financial products listed on the NZX Main Board and is designed to track the return on the S&P/NZX Mid Cap Index. The S&P/NZX Mid Cap Index is made up of financial products listed on the NZX Main Board and included in the S&P/NZX 50 Index, but excludes products included in the S&P/NZX 10 Index and products issued by non-New Zealand issuers.
