20 January 2017

Retirement of Portfolio Manager

Fisher Funds Management announced today that Roger Garrett, the Senior Portfolio Manager for Marlin Global Limited (MLN) will be retiring in coming months, having managed the Marlin Global portfolio and other international share funds on behalf of Fisher Funds' clients for more than four years.

Ashley Gardyne, Senior Investment Analyst in the Fisher Funds international team, has been appointed to the role of Senior Portfolio Manager for Marlin Global, effective 01 January 2017. Ashley is supported by Senior Investment Analyst, Chris Waters, and Roger will provide continuity and analytical support until a new senior investment analyst is appointed. **/ends**
