TeamTalk FY17 Guidance Update

TeamTalk Limited's (NZX: TTK) previous guidance, released at the time of the Interim Results on the 1st March advised Net Surplus after Tax (NSAT) for the Full Year would be in the range of \$2.0 - \$2.4m.

In advance of our final results we are updating our NSAT guidance to \$4.7 - \$5.1m. The increase is primarily due to the impact of our 70% sale of BayCity Communications to Vodafone.

We will provide a further update when we release our full year results on the 23rd August.

Kind Regards
