**Details of transactions and events giving rise to relevant event**

Under an offer document dated 11 October 2017 (the **Offer Document**), OGOG made a partial cash takeover offer under the Takeovers Code in respect of NZO shares (the **Offer**).

During the period between 30 November 2017 and 5 December 2017 (inclusive), a number of other NZO shareholders have accepted the Offer, resulting in OGOG acquiring a relevant interest in a further 8,318,772 fully paid ordinary shares in NZO for an aggregate price of \$6,155,891.28 (reflecting an adjusted Offer price of \$0.74 per share, being the Offer price of \$0.78 per share after adjustment under clause 6.1(b) of the Offer Document in respect of the payment of the dividend declared by NZO on 29 August 2017) and subject to scaling.

As at the time of filing this notice, OGOG has received acceptances under the Offer in respect of, in aggregate, 67,181,229 fully paid ordinary shares in NZO.

When added with the 6,841,384 fully paid ordinary shares in NZO that are owned by OGOG, OGOG holds a relevant interest in a total of 74,022,613 fully paid ordinary shares in NZO.

**Note:**

On 2 November 2017, OGOG received acceptances under the Offer in respect of 4,892,000 partly paid ordinary shares in NZO. It is a term of the Offer that the partly paid shares must be fully paid on acquisition by OGOG. When the partly paid shares are fully paid they will become fully paid shares. Accordingly, the acceptances received to date would, if the accepted partly paid shares are fully paid (and subject to the last sentence of this paragraph):

- represent 72,073,229 fully paid shares; and
- when aggregated with the 6,841,384 fully paid shares already held by OGOG represent 78,914,613 fully paid shares (which would comprise approximately 47.996% of the total fully paid shares then on issue).

It should be noted that under clause 7.1(c) of the Offer Document, any acceptances in respect of partly paid shares may be withdrawn at any time prior to the Offer being declared unconditional.
