**TeamTalk Limited announces resignation of Chief Transformation Officer**

TeamTalk Limited (NZX:TTK) today announces the resignation of John Fischer our Chief Transformation Officer.

John was brought into the company in August 2016 to assist with the initial deep dive. John possesses a very sharp financial focus which has been put into use in many ways over the past 18 months.

John finishes at the end of April and I would like to take this opportunity to thank John for his hard work and contributions over the last 18 months which assisted in “rebuilding the foundations” of the company.
