

22 November 2018

Auckland Council Bond (AKC060) Maturity

Auckland Council's bond (AKC060) will mature on the scheduled maturity date of Tuesday 18 December 2018, with the principal repayment and final interest payment being made on this day.

The Principal Amount repayment will occur in accordance with written instructions of the Holders appearing in the Register held by Computershare on the record date.

The last day of trading in AKC060 bonds will be Wednesday 5 December 2018. A trading halt will be implemented at close of business to remain in place until the maturity date.
