

Tower's Annual **Report**

Dear Shareholder,

Two years ago we started on a journey to transform and grow our business. Our recent results show that we are making good progress in our transformation, which is driving strong growth.

Our strategy puts us on a path to be a digital challenger and this year we have created a digital-first version of our annual report where you can understand our results and how we're transforming Tower in more detail. You can also download our full annual report on our website: www.tower.co.nz. Tower's future Annual and Interim Reports will also be available at this website.

Receiving shareholder communications electronically
