

MARKET ANNOUNCEMENT

Orion Health Business Update

Auckland, 14 January 2019 - Orion Health (NZX:OHE/ASX:OHE) today announced the signing of a significant commercial agreement with a customer in the Middle East to deploy its population health management technology and services. This is an important development and supports the achievement of Orion Health's previously announced objective of long term, sustainable profitability.

A full announcement of the agreement and details about the deployment will be made later this month.

About Orion Health

Orion Health (NZX:OHE) is a global health technology company that provides solutions which enable healthcare organisations to serve more than 100 million patients globally.
