

Snakk Media Ltd. (SNK) - Resignation of Directors

The most recently appointed Directors of Snakk Media Ltd. Mr. Brent King and Mr. Marvin Yee have resigned as Directors effective 2.15 pm Wednesday 6th of February 2019.

“Snakk Media has always been a volatile company however the speed of the decline over the last 4 months have been a major surprise to us both, “said Mr. King.

We had been given various representations at the time we were approached to be Directors but these did not eventuate. This of-course has sparked significant debate at Board Level on the causes, the steps to be taken and the way forward for the Company. There has been significant disagreements on all 3 matters and as we were unable to gain agreement Mr. Yee and I believed it was in the best interests of Snakk to let the long serving Chair Mr. Peter James chart the future of Snakk. “
