### **About Rakon**

Rakon is a global high technology company that designs and manufactures world-leading frequency control and timing solutions. Its products enable connectivity for a wide range of applications. The company's three core markets are Telecommunications, Global Positioning and Space & Defence. Rakon has a global footprint including four manufacturing plants, five research and development centres and 16 customer support locations. Rakon is proud of its New Zealand heritage; it was founded in Auckland in 1967. It is a public company listed on the New Zealand stock exchange, NZSX, ticker code RAK.
