DELEGAT GROUP LIMITED – MARKET UPDATE

2019 HARVEST ANNOUNCEMENT

Delegat Group Limited announces that it has concluded the 2019 harvest which amounted to 35,500 tonnes, down 11% on the 2018 vintage.

John Freeman, Managing Director of Delegat Group says: “The 2019 vintage yield was below long-term averages due to the weather conditions throughout the spring flowering season. Warm and dry conditions in the weeks leading up to harvest resulted in excellent fruit quality in all regions. The Group has appropriate inventories to achieve future sales growth in line with guidance provided in the 2018 Annual Report.”
