

NZX AND MEDIA RELEASE

2 August 2019

## **Resignation of Mark Rushworth, Non -Executive Director and Remuneration Committee Chair**

GEO announces that Non-Executive Director and Remuneration Committee Chair Mark Rushworth has resigned effective from 2 August 2019 due to increasing work commitments.

In late 2018 Mark was appointed Group Chief Executive of ACG Education, New Zealand's largest independent education service provider, employing around 1700 staff in New Zealand and Asia.

The significant increase in work commitments and international travel for ACG has meant that Mark has reduced his external directorships.

Chair Roger Sharp said:

"We thank Mark for his contribution over the past 20 months, and wish him well at ACG.

The three-person board comprising myself, Rod Snodgrass and Sal Manga is functioning well and we are looking forward to the next phase of this journey over the next few years."

Ends
