**Transpower Board member resignation**

Transpower Chair Pip Dunphy has today announced the resignation of Director Dr Tim Densem effective 4 October.

“Mr Densem has found that being on the Board of Transpower has impacted on his consultancy business within the industry, and he has therefore reluctantly resigned.”

Ms Dunphy says while she is disappointed to be losing him after such a short period, she respects his decision.

“I wish to thank Dr Densem for his contribution to the Board and wish him well.”

Dr Densem was appointed to the Board in March 2019.
