Investor Roadshow Presentation Addendum – New Zealand Aluminium Smelter Discussion

Genesis Energy (Genesis) has noted a high level of interest from investors, during its November roadshow, regarding the recently announced strategic review, to be undertaken by New Zealand Aluminium Smelter (NZAS). In the interest of transparency Genesis provides an addendum to its earlier released investor roadshow presentation, outlining what it sees as the key discussion points relating to the NZAS review.

Please see the attached for an addendum to the current investor roadshow material, to allow for NZAS discussion, which will also be available on Genesis' Investor Centre web page at <https://www.genesisenergy.co.nz/investors>.

About Genesis Energy

Genesis Energy (NZX: GNE, ASX: GNE) is a diversified New Zealand energy company. Genesis sells electricity, reticulated natural gas and LPG through its retail brands of Genesis Energy and Energy Online and is New Zealand's largest energy retailer with approximately 500,000 customers. The Company generates electricity from a diverse portfolio of thermal and renewable generation assets located in different parts of the country. Genesis also has a 46% interest in the Kupe Joint Venture, which owns the Kupe Oil and Gas Field offshore of Taranaki, New Zealand. Genesis had revenue of \$NZ2.7 billion during the 12 months ended 30 June 2019. More information can be found at www.genesisenergy.co.nz
