Subject: Incident: Network Connectivity Issue

Message:

NZX advises that, due to a network connectivity issue, trading has been halted on all boards. This includes the Main Board, Debt Market, Fonterra Shareholders' Market and Derivatives Market.

NZX is investigating the issue and will provide a further update shortly.

Please contact NZX Product Operations on +64 4 496 2853 or productoperations@nzx.com with any queries.
