Consultation on proposals to direct listing disclosure requirements

NZX has today released a consultation paper, relating to proposed changes to the disclosure settings for direct listings.

Specifically, NZX is looking for comment on proposals to amend the NZX Listing Rules to:

- remove the requirement for prospective financial information to be included in a Profile; and
- introduce a framework for NZX Foreign Exempt Issuer applicants, to allow NZXR to prescribe the nature and content of Profiles for such applicants, through templates designed on a jurisdictional basis.

The consultation paper is available [here](#). Written submissions should be emailed to: policy@nzx.com by Friday, 31 July 2020.
