

DETAILS OF INTERIM RESULTS WEBCAST

Property for Industry Limited (PFI) advises that it intends to release its results for the six months ended 30 June 2020 to the New Zealand Stock Exchange (NZX) on 4 September 2020.

In doing so, PFI is relying on the class waiver from Rule 3.5.1 granted by NZX on 3 April 2020. PFI will update investors should this intended date change.

The PFI management team will present the results via live webcast from 10am NZT on 4 September 2020. To view and listen to the webcast, please visit <https://edge.media-server.com/mmc/p/pjszu67e>.

There has been a large increase in teleconference bookings as a result of the COVID-19 pandemic. Therefore, anyone wishing to participate in the webcast (for example, to ask a question) must pre-register for the conference call at <http://apac.directeventreg.com/registration/event/2466573>. Upon registering, participants will be provided with participant dial-in numbers, a passcode and a unique registrant ID. In the 10 minutes prior to the call start time, you will need to use the conference access information provided in the email received at the point of registering, in addition to opening the webcast (using the details above).

If you cannot attend the live webcast, a recording will be available to view on PFI's website shortly after the conclusion of the live event.

Copies of the announcement, presentation and associated NZX filings will be lodged with NZX prior to the webcast.
