Memorandum

To: Market Participants
From: NZX Limited
Date: Wednesday, 26 August 2020
Subject: Connectivity Issue

Message:

This morning NZX experienced a further disruption similar to yesterday's related to a DDoS (distributed denial of service) attack. The systems impacted included NZX websites and the Markets Announcement Platform. As such, NZX decided to halt trading in its cash markets at approximately 11.24am.

The NZX Main Board, NZX Debt Market and Fonterra Shareholders Market returned to normal trading at 3pm.
