### Message:

NZX confirms that the NZX Main Board, NZX Debt Market and Fonterra Shareholders' Market are currently in a halt. This is as a result of network connectivity issues relating to DDoS cybersecurity attacks.

The pre-open of the NZX Main Board and Fonterra Shareholders' Market was extended today, and they were moved straight from pre-open to halt at approximately 10.32am today. A halt was placed on the NZX Debt Market at 9.58am.

A further update will be provided confirming session states.
