## **EROAD's Share Purchase Plan closes oversubscribed**

**6 October 2020**

Transportation technology business EROAD Limited (NZX & ASX: ERD) ("EROAD") today announced that its NZ\$8m Share Purchase Plan ("SPP") closed oversubscribed. The SPP received strong shareholder support with EROAD receiving applications totalling approximately NZ\$18.46 million, over 230% above the amount sought.

Given the significant demand, EROAD has opted to accept oversubscriptions of NZ\$3 million, increasing the size of the SPP to NZ\$11 million. Applications will be scaled on a proportionate basis in accordance with the number of EROAD shares held by applicants on the Record Date (16 September 2020). Refunds of the surplus application amounts paid will be made to applicants on or before 14 October 2020.

The SPP is part of EROAD's capital raising announced on 17 September 2020, which included a NZ\$42 million placement.

"We thank EROAD shareholders for their continued strong support and are delighted we could increase the size the SPP to \$11 million, which represents 21% of the total capital raise. Together, the SPP and the placement have raised a total of \$53 million which will enable EROAD to accelerate the execution of its growth strategies by investing in its platform via product development and sales and marketing," said EROAD's Chair, Graham Stuart.

The SPP was offered to all eligible existing EROAD shareholders with a registered address in New Zealand or Australia, enabling them to each subscribe for new EROAD shares up to a maximum of NZ\$50,000. 1,236 EROAD shareholders applied under the SPP with an average application of approximately NZ\$14,936.

The new shares under the SPP will be issued at the price of \$3.90, which represents the lower of the price paid by investors in the placement (NZ\$3.90 per share) or a 2.5% discount to the five day volume weighted average price of EROAD shares traded on the NZX during the five trading days up to, and including, the SPP's closing date. Settlement and allotment of the new shares is expected to occur on Friday 9 October 2020, with NZX trading in the new shares to commence on the same day and trading on the ASX to commence on Monday 12 October 2020.

Bell Potter Securities Limited and Canaccord Genuity (Australia) Limited acted as joint lead managers for the SPP.
