## Andrew Hirst Joins Sky as Interim CFO 21 January 2021

Sky is pleased to announce that Deloitte corporate finance partner Andrew Hirst is being seconded to the company on an interim basis as Chief Financial Officer while Sky continues its recruitment process for a permanent CFO. Andrew will continue to work on a limited number of existing Deloitte client projects during the secondment.

Andrew is a highly experienced corporate financial advisor and has previously advised Sky on a number of significant matters including the acquisition of Lightbox and the capital raise in 2020. As a result, Andrew comes into the role very familiar with Sky's business and key investor metrics.
