

The Colonial Motor Company Limited

22 December 2022

GUIDANCE UPDATE

At the 2022 Annual Meeting we advised that the forecast half year result to 31 December 2022, while tracking behind last year's record, was anticipated to be a solid result. The Group remains on track to deliver a solid result although it will be materially behind last year, but ahead of the \$18.2m December 2020 half year result.

On behalf of the Board

Ashley Waugh
Chairman
