This announcement is authorised by Graham Shaw (Independent Chairman) of Pushpay Holdings Limited.

## *About Pushpay*

Pushpay provides a donor management system, including donor tools, finance tools and a custom community app, a church management system (ChMS), and video streaming solutions to the faith sector, non-profit organisations and education providers located predominantly in the United States (US) and other jurisdictions. Our leading solutions simplify engagement, payments and administration, enabling our Customers to increase participation and build stronger relationships with their communities.

Church Community Builder and Resi Media LLC (Resi) are subsidiaries of Pushpay Holdings Limited. Church Community Builder provides a Software as a Service (SaaS) church management system that churches use to connect and communicate with their community members, record member service history, track online giving and perform a range of administrative functions. Resi is a high growth SaaS company that provides end-to-end live video streaming solutions enabled by hardware products predominantly to the faith sector, whilst also servicing commercial, non-profit organisations and education providers in the US.

Pushpay is an award-winning company. For more information visit [www.pushpay.com/investors/awards](http://www.pushpay.com/investors/awards).
