NZX Adviser Firm Handling Fee

Marlin will pay a NZX adviser handling fee to NZX adviser firms (NZX AF) in respect of the exercise of Marlin warrants by their clients. If you are a client of an NZX AF, your advisor should contact you about the exercise of warrants if they recommend proceeding with the action. Your NZX adviser may instruct you to complete the "NZX adviser details" in the online Exercise Form. By doing this you acknowledge that the NZX AF has provided advice and that they may be paid a handling fee. Exercise Forms completed with a NZX AF name will be valid for payment of the handling fee. The NZX adviser handling fee, payable by Marlin, is calculated at 0.4% of the total consideration payable for warrants exercised by a client. Computershare will process the completed warrant exercise forms received from holders, as well as record and pay any related fees on behalf of the company. You may not have a NZX AF or may elect not to use the services of your adviser firm; in which case you should ignore that section of the online Exercise Form.

If you require any assistance with completing an application online at www.warrants.co.nz/marlin, please contact our registrar Computershare either by email at marlin@computershare.co.nz or phone 0800 650 034.

Yours sincerely

Andy Coupe
