### SALE OF DOWNER'S INTEREST IN REPURPOSE IT

Downer EDI Limited (Downer) today announced the sale of its 45 per cent interest in Repurpose It, a resource recovery business operating in Victoria with a focus on recycling infrastructure spoil and organics.

Following the completion of a competitive sale process, the shareholders of Repurpose It have entered into an agreement to sell the business to Australian infrastructure investment manager, Palisade Impact Pty Ltd and its affiliates (Palisade).

The sale price represents an enterprise value of \$220.0 million and is subject to customary completion adjustments.

Downer, which acquired its interest in Repurpose It for \$8.5 million in 2019, expects to receive post-tax cash proceeds of approximately \$85.0 million and will generate a post-tax gain on disposal of approximately \$50.0 million. In FY23, Repurpose It contributed \$8.1m to Downer's EBITA.

The Chief Executive Officer of Downer, Peter Tompkins, said the sale of Repurpose It was part of Downer's commitment to focus on its core business and realising value for shareholders.

"Downer will continue to consider portfolio refinement opportunities to narrow our focus on the core markets where we hold leading positions," Mr Tompkins said.

Completion of the sale is expected to occur around the end of this calendar year.
