About EROAD

EROAD is a fully integrated technology, tolling and services provider, based in Auckland, New Zealand, and serving customers in New Zealand, Australia and North America. They were the first company in the world to implement a GNSS/cellular-based road charging solution across an entire country. They design and manufacture in-vehicle hardware, operate secure payment and merchant gateways and offer web based value-added services. EROAD modernises road charging and compliance for road transport by replacing paper-based systems with easy-to-use electronic systems. They are the largest provider of road user charges (RUC) compliance in New Zealand, and a leading provider of health and safety compliance and fleet management solutions. EROAD is listed on the New Zealand Stock Exchange (NZX) and Australian Stock Exchange (ASX) under the stock symbol of ERD.
