Dear David,

NZME Limited (NZM) – Price Enquiry

We write with respect to the continuous disclosure obligations set out in the Listing Rules (**Rules**). Listing Rule 3.1.1 (**the rule**) is set out in the Schedule attached to this letter. In summary, the rule requires issuers to immediately disclose any Material Information to NZX. The rule provides limited exceptions to this obligation. Material Information does not need to be disclosed where a reasonable person would not expect the information to be disclosed *and* where the information is confidential and its confidentiality is maintained and where one of five safe harbours applies under Rule 3.1.2.

The price of NZM has increased from \$0.92 being the closing price on Wednesday 3 July 2024, to a current bid-offer spread of \$1.08-\$1.10, and a last sale of \$1.08 at the time of writing. The last sale represents a price move of 17% in approximately one week.

Given the price move detailed above, please advise NZ RegCo whether NZM continues to comply with Listing Rule 3.1.1.

We would appreciate it if you could provide NZ RegCo with an answer to the above question (email: surveillance@nzregco.com) before 9:00 am tomorrow, 12 July 2024.

Please provide your response to [this](#) letter in “PDF” format, and note that it will be published in full to the market.

Kind Regards,
