FIXED RATE MORTGAGE EXPIRY SCHEDULE (\$BN, FOR THE 6MTHS TO)

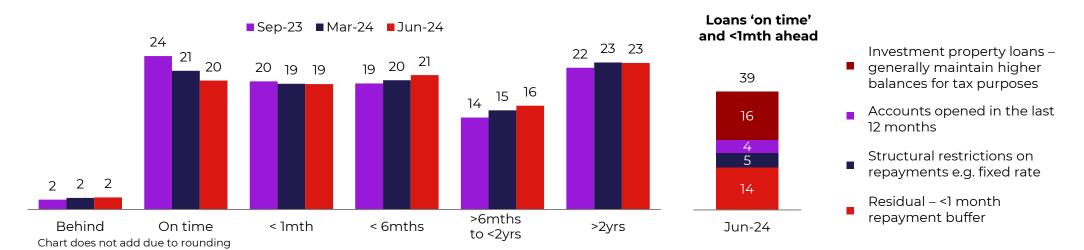

LOAN-TO-VALUE RATIOS (LVRS) (%)

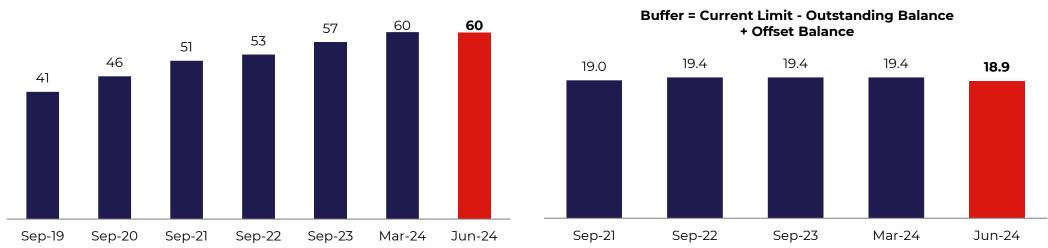

1 Average loan size includes amortisation. Calculated at account level, where split loans represent more than one account. 2 Mortgage losses for Sep-23 and March-24 are for the 6 months ending. Mortgages losses for June are for the 3 months ending. 3 Mortgage loss rates for September are actual losses for the 12 months ending. Mortgage loss rates for March are annualised, based on losses for the 6 months ending. 4 Financial hardship assistance is available to customers experiencing temporary financial difficulty, including changes in income due to illness, a relationship breakdown or natural disasters. Hardship assistance often takes the form of a reduction or deferral of repayments for a short period. 5 Dynamic LVR is the loan-to-value ratio taking into account the current loan balance, changes in security value, offset account balances and other loan adjustments. Property valuation source CoreLogic.

FUNDING AND LIQUIDITY

KEY FUNDING AND LIQUIDITY MEASURES

 Quarterly LCR movement reflects the impact of Term Funding Facility maturities, with lower average net cash outflows more than offset by a reduction in high-quality liquid assets

Net stable funding ratio (NSFR) (%)

 Lower NSFR reflects growth in lending and increases in required stable funding for mortgages previously used as collateral for Term Funding Facility draw-downs

Customer deposits to net loans ratio (D2L) (%)

 Increase in D2L ratio due to rate of growth in deposits slightly ahead of loan growth

TERM DEBT ISSUANCE AND MATURITY PROFILE^{1,2} (\$BN)

TERM DEBT ISSUANCE BY PROGRAM YEAR TO DATE^{2,3} (%)

1 Based on residual maturity and FX spot currency translation. Includes all debt issuance with contractual maturity greater than 13 months excluding US Commercial Paper and Yankee Certificates of Deposit. Contractual maturity date for Additional Tier 1 and callable Tier 2 instruments is the first scheduled conversion date or call date for the purposes of this disclosure. Any early redemption would be subject to prior written approval from APRA, which may or may not be provided. Maturities exclude securitisation amortisation. 2 Year to date is 1 October 2023 to 12 July 2024. 3 Chart may not add due to rounding.

DISCLAIMER

The material contained in this presentation is intended to be general background information on Westpac Banking Corporation (Westpac) and its activities.

The information is supplied in summary form and is therefore not necessarily complete. It is not intended that it be relied upon as advice to investors or potential investors, who should consider seeking independent professional advice depending upon their specific investment objectives, financial situation or particular needs. The material contained in this presentation may include information derived from publicly available sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information.

All amounts are in Australian dollars unless otherwise indicated.

This presentation contains statements that constitute "forward-looking statements" within the meaning of Section 21E of the US Securities Exchange Act of 1934.

Forward-looking statements are statements that are not historical facts. Forward-looking statements appear in a number of places in this presentation and include statements regarding our intent, belief or current expectations with respect to our business and operations, macro and micro economic and market conditions, results of operations and financial condition, capital adequacy and risk management, including, without limitation, future loan loss provisions and financial support to certain borrowers, forecasted economic indicators and performance metric outcomes, indicative drivers, climate- and other sustainability-related statements, commitments, targets, projections and metrics, and other estimated and proxy data.

We use words such as 'will', 'may', 'expect', 'intend', 'seek', 'would', 'should', 'could', 'continue', 'plan', 'estimate', 'anticipate', 'believe', 'probability', 'indicative', 'risk', 'aim', 'outlook', 'forecast', 'foast', 'f', 'assumption', 'projection', 'target', 'goal', 'guidance', 'ambition', or other similar words to identify forward-looking statements, or otherwise identify forward-looking statements. These forward-looking statements reflect our current views on future events and are subject to change, certain known and unknown risks, uncertainties and assumptions and other factors which are, in many instances, beyond our control (and the control of our officers, employees, agents and advisors), and have been made based on management's expectations or beliefs concerning future developments and their potential effect upon us.

Forward-looking statements may also be made, verbally or in writing, by members of Westpac's management or Board in connection with this presentation. Such statements are subject to the same limitations, uncertainties, assumptions and disclaimers set out in this presentation.

There can be no assurance that future developments or performance will align with our expectations or that the effect of future developments on us will be those anticipated. Actual results could differ materially from those we expect or which are expressed or implied in forward-looking statements, depending on various factors including, but not limited to, those described in the section titled 'Risk factors' in our 2024 Interim Financial Results (Risk Factors) available at www.westpac.com.au. When relying on forward-looking statements to make decisions with respect to us, investors and others should carefully consider such factors and other uncertainties and events.

Except as required by law, we assume no obligation to revise or update any forward-looking statements contained in this presentation, whether from new information, future events, conditions or otherwise, after the date of this presentation.

We also make statements about our processes and policies (including what they are designed to do) as well as the availability of our systems or product features. Systems, processes and product features can be subject to disruption, and may not always work as intended, so these statements are limited by the factors described in our Risk Factors.
