A brief explanation of any of the figures above necessary to enable the figures to be understood	<p>The increase in operating revenue was due to growth in deferred management fees from resales and new development village sales, higher care and village fees. The increase in total revenue is due to a higher gain in fair value movement on investment properties compared to the previous reporting period.</p> <p>The net profit from continuing operations and the total net profit can be attributed to the higher gain, in addition to the higher operating revenue.</p> <p>Refer to attached media release and unaudited interim financial statements for further information.</p>
