Enprise Group appoints Independent Non-Executive Director

AUCKLAND, 12 May, 2025 - Enprise Group (NZX: ENS) has appointed Susie Stone to its board as an Independent Non-Executive Director.

The Board of Directors of Enprise Group Ltd (ENS) would like to welcome Susie Stone as an Independent non-executive Director.

Susie Stone has 25+ years of senior management experience across the ANZ market spanning telecommunications services, IT managed operations, hosted cloud services, data centres, SAAS businesses, energy retail, and infrastructure investment. She has strong functional skills in sales and marketing, product management, commercialisation of new products, regulatory affairs, and strengths in people leadership, change management, and strategic planning. Susie completed her IOD Directors course in 2019 and has held governance positions since 2020 in the tech sector. Susie has a BA/LLB from Victoria University of Wellington.

The Directors would like to warmly welcome Susie onto the board.

About Enprise Group
Listed on the New Zealand Stock Exchange on 1 December 2014, Enprise Group (ENS) is an investment vehicle for high-growth tech companies that complement its core ERP capability. Enprise Group is invested in four businesses – the wholly owned Kilimanjaro Consulting, subsidiary iSell, joint venture Datagate Innovation and a holding in Vadacom.

Kilimanjaro is a cloud business software company that is the leading trans-Tasman provider of solutions based on the MYOB EXO and MYOB Advanced software platforms. Kilimanjaro Consulting offers cloud options for every piece of software it sells, including a broad range of companion products to extend the power of the MYOB Advanced and MYOB EXO platforms. The company supports around 1,270 MYOB EXO and MYOB Advanced customers across Australia and New Zealand.

iSell is a primary provider of business systems to the IT Reseller market. iSell databases contain over 4.5 million products representing more than 2000 vendors available from 100+ distributors. The products are sent automatically to hundreds of IT Resellers daily, across Australia, New Zealand & UK.

Datagate Innovation is a cloud telecom billing solution. The Datagate online billing portal enables Managed Service Providers to rate and bill telecommunications services, with optional US Tax and leading software integrations. Datagate rates and bills unified communications, VoIP, tolls, cellular, data plans and other use-based and subscription services.

Vadacom specialises in phone system software development and unified communications solutions for Australian and New Zealand businesses.
