JUST WATER INTERNATIONAL LIMITED ANNOUNCES SUCCESSFUL COMMISSIONING OF AUCKLAND WATER BOTTLING PLANT

The directors of Just Water International Limited are pleased to announce today the successful relocation, upgrade and automation of the Auckland state-of-the-art water bottling plant.

This has a capacity of 20,000 15 litre bottles per week, and will allow the Company to increase its delivery options.

The Prime Minister, Rt. Honourable John Key is to officially open the plant on the 13th October 2016.

Tony Falkenstein

Chairman
Just Water International Limited
