About Babcock & Brown Power

Babcock & Brown Power (ASX:BBP) is a power generation business, with assets diversified by geographic location, fuel source, customers, contract types and operating mode. Its aim is to grow returns to its securityholders through optimisation of its existing power generation business and the addition of further generation assets and associated businesses via a combination of new construction and strategic acquisitions.

The portfolio has interests in 12 operating power stations representing nearly 3,000MW¹ of installed generation capacity. BBP also has interests in a number of other associated power assets including the WA retail assets (Alinta). Babcock & Brown has been developing, operating and acquiring the generation portfolio over a period of 10 years.

¹ Some assets have minority shareholders.
