

# BRAINZ INSTRUMENTS LIMITED 2009 Interim Report

#### **Directors' Report**

The Directors submit the interim financial report of BrainZ Instruments Limited for the six months ended 30 September 2008.

#### **Directors' details**

The names of Directors who held office during or since the end of the half-year are:

Dr D Pethica (Chairman)
Mr K J Aitchison
Dr J Brown
Dr R L Congreve (resigned 16 July 2008)

#### **Review of operations**

Commercial progress during the six months to 30 September 2008 was poor with ongoing cash burn and stagnant sales trends. The global market for neonatal bedside brain monitoring has not expanded at the rate anticipated, despite substantial clinical need and interest. The net deficit for the six months was NZ\$1,634,000 (2007: NZ\$2,557,000), and at 30 September 2008 net assets were NZ\$2,887,000 with NZ\$2,727,000 in cash. These results were below the Company's expectations.

As has previously been announced in our press releases, the Directors explored a number of strategic options. These activities resulted in an offer from Natus Medical Inc (NASDAQ: BABY) to purchase the assets of BrainZ and take over key product-related liabilities such as existing product support and warranty commitments that are integral to marketing and distribution. BrainZ will receive NZ\$1.3 million in cash on close of this deal. A Special Meeting of Shareholders was held on 5 November 2008, with the proposed sale to Natus being approved as necessary to proceed. It is anticipated that the sale will close on or before 30 November 2008, this being principally subject to satisfactory negotiations with GE Healthcare regarding their Exclusive Distribution Agreement.

The results for the six months to 30 September 2008 include recognising the cost of employment and rental contracts which continue beyond December 2008. In addition an impairment charge has been recognised on plant and equipment and software assets to reflect the purchase price in the offer from Natus Medical Inc. The total discontinuation expenses of \$390,000 have been separately disclosed in the Income Statement.

#### Corporations Act, Australia - Directors' declaration

The Directors of BrainZ Instruments Limited ("BrainZ") declare that:

- 1. The accompanying unaudited financial statements of BrainZ and its subsidiaries for the six months ended 30 September 2008 and the notes to those financial statements:
  - (a) comply with the accounting standards approved by the New Zealand Accounting Standards Review Board: and
  - (b) give a true and fair view of the financial position as at 30 September 2008 and of the performance for the six months ended on that date of BrainZ and its subsidiaries.
- 2. In the Directors' opinion there are reasonable grounds to believe that BrainZ will be able to pay its debts as and when they become due and payable.

This report is signed and declaration made in accordance with a resolution of the Board of Directors dated 28 November 2008.

On behalf of the Board

**Dr D Pethica** Chairman

#### **B. BASIS OF PREPARATION**

These general-purpose condensed consolidated interim financial statements have been prepared in accordance with generally accepted accounting practice in New Zealand, International Financial Reporting and NZ IAS 34 *Interim Financial Reporting*. The condensed interim financial statements have been prepared on a basis other than that of a going concern which includes, where appropriate, writing down the Group's assets to net realisable value. Provision has also been made for any contractual commitments that have become onerous at balance date. These costs have been included in the Discontinuation costs shown separately in the Income Statement. The condensed interim financial statements do not include any provision for the future costs of terminating the business of the Group except to the extent that such costs were committed at the balance sheet date.

#### C. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies that materially affect the measurement of the Income Statement, Balance Sheet and the Cash Flow Statements have been applied on a basis consistent with those used in the audited financial statements for the year ended 31 March 2008 and the unaudited financial statements for the six months ended 30 September 2007 other than as outline under the Basis of Preparation.

These interim financial statements do not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 31 March 2008.

#### REVIEW REPORT TO THE SHAREHOLDERS OF BRAINZ INSTRUMENTS LIMITED

We have reviewed the condensed consolidated interim financial statements on pages 3 to 11. The condensed consolidated interim financial statements provide information about the past financial performance of BrainZ Instruments Limited and its subsidiaries ("the Group") and its financial position as at 30 September 2008. This information is stated in accordance with the accounting policies set out on page 7.

#### Board of Directors' Responsibilities

The Board of Directors is responsible for the preparation, in accordance with New Zealand law and generally accepted accounting practice, of the condensed consolidated interim financial statements which present fairly the financial position of the Group as at 30 September 2008 and the results of operations and cash flows for the six months ended on that date.

#### Independent Accountant's Responsibilities

We are responsible for reviewing the condensed consolidated interim financial statements presented by the Board of Directors in order to report to you whether, in our opinion and on the basis of the procedures performed by us, anything has come to our attention that would indicate that the condensed consolidated interim financial statements do not present fairly the matters to which they relate.

#### Basis of Opinion

A review is limited primarily to enquiries of company personnel and analytical review procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

We have reviewed the condensed consolidated interim financial statements of the Group for the six months ended 30 September 2008 in accordance with the Review Engagement Standards issued by the New Zealand Institute of Chartered Accountants.

Other than in our capacity as auditors under the Companies Act 1993 and the provision of accounting and taxation advice, we have no relationship with or interests in BrainZ Instruments Limited or its subsidiaries.

#### Realisation Basis

As described in the Basis of Preparation on page 7 and as a result of events subsequent to balance date, it is no longer appropriate to adopt the going concern assumption in these financial statements. Accordingly the realisation basis has been adopted and the financial statements have been prepared on the basis of expected net realisable values rather than the going concern basis. Further details are outlined on page 7 in the Basis of Preparation.

#### Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the condensed consolidated interim financial statements on pages 3 to 11 do not present fairly the financial position of the Group as at 30 September 2008 and the results of its operations and cash flows for the six months ended on that date in accordance with NZ IAS 34. Interim Financial Reporting and IAS 34 Interim Financial Reporting.

Our review was completed on 28 November 2008 and our review opinion is expressed as at that date.
