ISSUE OF SHARES TO LINGCHIP PTY LTD

The Company is pleased to announce the issue of 5,000,000 fully paid ordinary shares in final satisfaction of its obligations to Lingchip Pty Ltd, the original vendor of the Company's Wiluna West tenements.

As set out in the Company's Annual Report the Company had a contingent liability to issue Lingchip Pty Ltd 5,000,000 fully paid ordinary shares upon the delineation of a JORC Code compliant indicated resource of 10 million tonnes of iron ore. Under the agreement with Lingchip Pty Ltd the time period for meeting this condition expired in November 2008.

Consistent with the Company's project strategy as outlined at last week's Annual General Meeting, the Company is focused on systematic conversion of resources at Wiluna West from inferred to indicated status during 2009, and is well down the path to doing so. The Company did not, however, seek to convert any of its inferred resource to indicated status prior to expiry of the time period in the agreement with Lingchip Pty Ltd.

The Company recognises that in these circumstances Lingchip Pty Ltd had a clear legal claim to be issued the shares. In recognition of this the Company has agreed to honour its commitment to Lingchip Pty Ltd without diverting the Company's resources unnecessarily from its project strategy.

The shares have been issued out of the Company's existing placement capacity. At the time of the issue of the shares Lingchip Pty Ltd did not hold any shares in the Company.

An Appendix 3B in relation to the share issue is attached.
