**Cancellation of Options**

Kentor Gold Limited (the Company) announces the cancellation of 900,000 unlisted options following the resignation of an employee.

**About Kentor Gold**

Kentor Gold Ltd (ASX Code: KGL) is an Australian-based company formed in 1998 as a specialist gold explorer. The Company was listed on the Australian Securities Exchange (ASX) in March 2005 and today is a diversified, international explorer with gold, geothermal and base metals exploration assets in Central Asia.

Kentor Gold's vision is to build wealth for shareholders through project acquisition, exploration, development and production.
