Announcement to Australian Securities Exchange Limited

MIKOH Secures Digital Inkjet Printer Order

24 December 2008

MIKOH Corporation Limited has secured an order for a \$63,000 digital inkjet UV printer system from a Melbourne based printer. We anticipate commissioning of this printer during March of 2009 utilising the latest digital inkjet print head systems.

The value of the order is expected to increase in 2009 and lead to a full four colour process system order for a MIKOH digital inkjet system designed to provide a new printed packaging concept in the fast moving consumer goods industry.

MIKOH will commence immediate construction of this printer system following the completion this week of a full system installation in Turkey.

Matt Blomfield
Managing Director

About MIKOH:

MIKOH Corporation Limited is a leading provider of physical security and digital marking solutions and consulting services. The company works with customers to design and implement physical security solutions to track, seal and/or monitor valuable assets. Both RFID and non-RFID in nature, MIKOH solutions align proper business processes and labeling technologies to ensure assets are effectively managed

with certainty.

MIKOH's Smart&Secure tamper-evident technology provides physical security certainty for RFID tags. Physical security for RFID is vital in applications where the compromise of sensitive assets results in commercial and/or revenue loss. These applications include government asset tracking, vehicle identification, pharmaceutical distribution and more. Smart&Secure is flexible, scalable and easily integrates into any RFID system.

MIKOH has offices in Melbourne and Sydney in Australia, and McLean, VA and New York, NY in the USA. For more information, visit the company's website at <http://www.MIKOH.com>.
