IMPORTANT NOTICE

Starting from next year the default option for receiving the annual report has changed from a printed copy to electronic download via our website. You have the choice of receiving notification about accessing your annual report online or continuing to receive a printed annual report.

Dear Shareholder,

The Australian Government has introduced legislation changing the default option for receiving annual reports to be via a Company's website. From next year you will receive timely, costs effective and greener online annual reports unless you request a printed version.

Please note that if you would like to receive your future annual reports online, *simply do nothing*. You will be advised of the download details with you AGM notice. However if you would like us to continue to send you a printed version please mark the box below and return this form to us at the address at the top of this form.

If you have any questions about this letter please contact Share Registry Services representative on 02 9032 3000

Yours sincerely

Ian Mitchell
