Dear Dion,

**VOLUNTARY SUSPENSION**

Further to our announcement of 21st December 2009, high level discussions are continuing between the company and its financier.

Given the time of the year, however, an outcome in this connection is now not expected before 31st December 2009.

Pending finalisation of these on-going exchanges, CKR requests that the current voluntary suspension of its shares remain in force.

The company is not aware of any reason why this further request should not be acceded to by ASX.

Our present expectation is that CKR should be in a position to issue a further announcement on or about 5th January 2010.

Yours sincerely,
