Securities Exchange Announcement

29th September 2009

Trading Conditions Improving

The Directors of DataDot Technology Limited (ASX:DDT) announce that the results for the first two months of the 2009/2010 financial year show an over-achievement of targeted net profit for the period. Year to date sales are at 95% of budget with gross profit ahead of budget and expenditure well controlled and below budget. Sales to date in September 2009 have continued to be strong.

The cash position has improved from \$761,000 at the end of June 2009 to \$1,010,000 at the end of August 2009.

The Directors and Management of DataDot Technology Limited are pleased with the results to date. These results reflect favourably on the successful implementation of the major organisational restructure referred to in the 2009 Annual Report.
