Withdrawal from Reedy Creek Heads of Agreement

Echo Resources Limited wishes to advise that it has received notification from Queensland Minerals (Australia) Pty Ltd (QMA) of QMA's withdrawal from Echo's Reedy Creek Project in North Queensland. Echo retains a 100% interest in the Reedy Creek Project area.

About Echo Resources

Echo's key projects are located in Western Australia (gold and nickel) and central Queensland (copper and gold). The projects have established JORC resources. Echo's corporate goal is the discovery and development of large gold (>3 million ounces @ >3 g/t Au), copper (>450 million pounds @ >1.5% Cu equivalent) and nickel (>90 million pounds @ >5% Ni) deposits in world-class mineral provinces. Echo has a strong management team capable of rapidly transforming the Company from an explorer to a producer.
