EGL WINS CHEMICAL SCRUBBING SYSTEM ORDER

The Environmental Group Limited (ASX: EGL) has been awarded a contract by Bovis Lend Lease for the design and supply of a NOx Scrubbing system for Mulwala, N.S.W.

Bovis Lend Lease is designing, constructing and commissioning this project as prime contractor on behalf of the Department of Defence. Mulwala is situated on the Murray River, approximately 100 kms west of Albury.

The value of the contract to EGL is approximately \$2.3 million and is scheduled for delivery by August 2009. The Mulwala order takes EGL's Gas & Vapour Division's order intake to in excess of \$8 million since the beginning of the 2008/09 financial year.

Acceptance of EGL's solution is recognition of EGL's position as the leading supplier of advanced technologies for gas and particulate control systems in Australia, and of the professional approach and quality management systems that EGL provides to its customers.

For further information, please contact Mr. Bill Highland on (02) 8858 3499.
