

## SUPREME COURT APPEAL

Energy and Minerals Australia Limited (ASX: **EMA**) has this afternoon been informed by the solicitor for Yarri Mining Pty Ltd ('Yarri') that Yarri has today filed a Notice of Appeal from the judgment of Le Miere J made on 14 May 2009.

The Notice of Appeal has not yet been served on the Company's subsidiary Narnoo Mining Pty Ltd. Consequently the Company is not aware of the grounds of appeal.

A further announcement will be made once the Notice of Appeal has been served on the Company and reviewed.

The Company is disappointed Yarri has chosen to appeal given the strong judgment dismissing their original action. The Company will vigorously defend the appeal.
