Dear Elizabeth,

Request for Trading Halt

Globe Metals & Mining Limited requests a trading halt from ASX effective "pre-open" Monday, 23 November 2009, pending the announcement of an acquisition of a rare earths project.

We request the trading halt from receipt of this request until the release of the announcement, but in no case later than the commencement of trading on Wednesday, 25 November 2009.

We are not aware of any reason why the trading halt should not be granted, and are not aware of any other information necessary to inform the market about the trading halt.

Yours sincerely,

Mark Sumich
Executive Chairman
Globe Metals & Mining Limited
