About IBA Health Group

IBA Health Group Limited (ASX-IBA) is the largest health information technology company listed on the Australian Securities Exchange.

IBA builds software applications for healthcare. We work with healthcare professionals to design and build solutions that answer all of the difficult questions posed by today's care delivery challenges. Our solutions act as a catalyst for change, supporting the free exchange of critical information across diverse care settings and participant organisations. We are the leader in the provision of advanced application solutions in modern healthcare economies around the world

Today, over 13,000 provider organisations in 35 countries across 5 continents use IBA's solutions to manage patient information and drive improvements in their core processes. The group's sustainable development is delivered through careful planning, in-depth analysis of our market and anticipation of evolving requirements. Our business is driven by the collective talent, experience and commitment of more than 4,000 specialists around the globe, including over 1,700 technology and development professionals.

A global network of IBA subsidiaries, supported by an extensive partner network, provides substantial experience of national healthcare markets. As a result we offer our customers comprehensive knowledge of local market requirements, in terms of culture, language, working practice, healthcare regulation and organisational structure.
