NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2008

1. CORPORATE INFORMATION

The financial report of the LinQ Resources Fund ('the Fund') for the half-year ended 31 December 2008 was authorised for issue in accordance with a resolution of the directors of LinQ Capital Limited, in its capacity as responsible entity of the Fund, on 24 February 2009. The Fund is an Australian Registered Scheme, constituted on 8 March 2002. The Fund will terminate on 7 March 2082 unless terminated earlier in accordance with provisions of the Constitution.

LinQ Capital Limited, the Responsible Entity of the Fund, is incorporated and domiciled in Australia. The registered office of the Responsible Entity is located at Level 2, 41 – 43 Ord Street, West Perth WA 6005.

The nature of the operations and principal activities of the Fund are described in the accompanying Directors' Report.

BASIS OF PREPARATION AND ACCOUNTING POLICIES

(a) Basis of Preparation

The half-year financial report is a general-purpose condensed financial report, which has been prepared in accordance with the Fund's Constitution, requirements of the Corporations Act 2001 and AASB 134 Interim Financial Reporting.

The financial report has been prepared on a historical cost basis, except for the valuation of investments in financial assets at fair value through Profit & Loss.

The Balance Sheet is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within 12 months, except for investments in financial assets, and net assets attributable to unitholders. The amounts expected to be recovered and settled in relation to these balances cannot be reliably determined.

The half-year condensed financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Fund as the full financial report.

The half-year condensed financial report should be read in conjunction with the annual financial report of the Fund as at 30 June 2008.

It is also recommended that the half-year condensed financial report be considered together with any public announcements made by the Fund during the half-year ended 31 December 2008 in accordance with the continuous disclosure obligations arising under the Corporations Act 2001 and ASX Listing Rules.

The condensed financial report is presented in Australian dollars and all values are rounded to the nearest thousand dollars (\$'000) unless otherwise stated under the option available to the Fund under the ASIC Class Order 98/0100. The Fund is an entity to which the Class Order applies.

For the purpose of preparing the half-year condensed financial report, the half-year has been treated as a discrete reporting period.

(a) Basis of Preparation - continued

Apart from the changes in accounting policy noted below, the accounting policies and methods of computation are the same as those adopted in the most recent annual financial report.

LINQ RESOURCES FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2008

(b) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the LinQ Resources Fund and its wholly owned subsidiary Trust, the LinQ Resources Fund No 2, as at 31 December 2008 (the Group).

A subsidiary is an entity over which the Group has the power to govern the financial and operating policies so as to obtain benefits from its activities.

The financial statements of the subsidiary Trust are prepared for the same reporting period as the parent, using consistent accounting policies.

In preparing the consolidated financial statements, all inter-trust balances and transactions, income and expenses and profit and losses resulting from intra-group transactions have been eliminated in full.

A subsidiary is fully consolidated from the date on which control is obtained by the Group and cease to be consolidated from the date on which control is transferred out of the Group.

For the half year ended 31 December 2007, the Fund was a single entity.

(c) Changes in Accounting Policy

Since 1 July 2008 the Fund has adopted the following Standards and Interpretations, mandatory for annual periods beginning on or after 1 July 2008:

- AASB 2008-10 *Amendment to Australian Accounting Standards – Reclassification of Financial Assets (amendments to AASB 139 Financial Instruments: Recognition and Measurement and AASB 7 Financial Instruments Disclosures)*
- Interpretation 12 and AASB 2007-2 *Service Concession Arrangements* and consequential amendments to other Australian Accounting Standards
- Interpretation 129 *Service Concession Arrangements: Disclosures*
- Interpretation 4 (revised) *Determining whether an arrangement contains a lease*
- Interpretation 13 *Customer Loyalty Programmes*.
- Interpretation 14 *The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction*.

Adoption of these Standards and Interpretations did not have any effect on the financial position or performance of the Fund.

The Fund has not elected to early adopt any new standards or amendments.
