Macquarie Communications Infrastructure Group

SCHEME UPDATE: CFIUS CLEARANCE RECEIVED

Macquarie Communications Infrastructure Group (MCG) advises that it has received confirmation from the Committee on Foreign Investment in the United States (CFIUS) that it has no unresolved concerns with regard to the proposed acquisition of MCG securities by the Canada Pension Plan Investment Board (CPPIB) under the Schemes¹ and the CFIUS review of the matter is now concluded.

This condition to the implementation of the Schemes, which was set out in the Scheme Implementation Agreement (SIA)³ dated 31 March 2009, has now been satisfied.

MCG notes that the satisfaction of the remaining conditions precedent to the implementation of the Schemes is in process. A list of all conditions and their completion status may be found on the MCG website at <http://www.macquarie.com/mcg>. MCG and CPPIB are working toward satisfaction of the remaining conditions precedent prior to or closely following the MCG security holder vote at the scheme meetings to be held on Wednesday, 17 June 2009.
